August 17, 2018

Great News!!! I have a special announcement regarding the dress code policy. We have modified our school wide dress code for the betterment of families. In particular, we added a few more colors. These identified new colors shall be considered acceptable for the 2018-2019 school year.

On behalf of the families, the Fairfield Township Board made the decision and voted favorably at last month's board meeting. The decision to move in this direction really took a deep look into the needs of our school family. Specifically, we listened to the voices of staff, students, and parents.

As a result, students are now permitted to wear the following moving forward:

Tops: Royal Blue, Light Blue, Navy Blue, or White

Bottoms: Khaki, Navy Blue, or Black (this includes pants, dresses, and skirts)

Dress Codes are an important part of the climate of schools. At Fairfield Township School it is no different. Our goal is to always provide an environment that is free of distractions, safe, orderly, and conducive to learning. We have sincerely attempted to enforce the current Dress Code in previous years, but have found it to be unfair in terms of options. This new Dress Code will allow students some freedom in the way they choose to dress while allowing us to meet the goal of a distraction free environment in our school.

We are sending this information to you now so that you can plan for the coming school year as you do your summer shopping. Also, we will also post this information on our school website and send additional correspondence throughout the community. It is our goal to clearly communicate this information as the new Dress Code will be strictly enforced by staff and school administrators from the first day of the 2018-2019 school year. Of course, we are going to need the support of all parents, guardians, and care-givers in order to be successful.

In light of the above, I trust the news will meet the delight of everyone within the school community. I am 100% confident this will be the best year ever. Please reach out should you have any questions. Meanwhile, I look forward to your support and cooperation.

Respectfully Yours,

Dr. Michael Knox
