

WELCOME TO KINDERGARTEN!

Hello Parents & Guardians!

Welcome to a new school year! Your child is about to embark on an exciting learning adventure filled with rich experiences, multiple achievements, and everlasting friendships. We are looking forward to a productive year working with you and your child. We really hope your child is as excited about Kindergarten as we are, all the anxieties about the “newness” will soon disappear and we will all be having such a great time as we start learning our routines and making friends to enjoy throughout the year.

Behavior Management: Setting boundaries for young children is an important part of helping them become socially competent citizens at school and in the community. This year we will be using Class DOJO help foster a positive learning environment. Although we expect children to meet classroom expectations on a daily basis, we do offer rewards as positive reinforcement for children in form of stickers, small prizes, as well as group rewards such as a special treat or party.

Attendance: Attendance is very important. Please make sure your child is in school every day. If your child is not here, they cannot learn and may fall behind in academics and social skills.

Homework: Homework is as important in kindergarten as it is in other grades. Homework will be sent home Monday through Thursday and should be completed and returned the next school day (unless otherwise specified). Homework is used to review skills taught in class. Homework assignments are reflected in the quarterly report card, as well as the progress report.

If you ever have any questions or concerns, please feel free to call, email, or send a note. We look forward to having a great school year!

The Kindergarten Team
